CALIFORNIA TRUST COMPANY ALWAYS RECOMMENDS THAT AN ATTORNEY DRAW A WILL!

From some of our recent trust literature:

"The first and most important thing to remember, therefore, is: Have your will prepared by your attorney. He is best qualified by training and experience to properly draw that important document."

"If you haven't reviewed your will with your attorney lately, do so now. His familiarity with changing laws will help you to keep your will up-to-date."

"Your will is probably the most important document you will ever sign. If it is to be effective in carrying out your wishes, it should be carefully drawn by your attorney."
